Bongiorno National Network RACS Fellows Travel Grant

The Bongiorno National Network Younger Fellows Travel Grant supports Younger Fellows travelling overseas to further their post-fellowship studies and diversify their surgical experiences.

The Younger Fellows Committee, in partnership with the Bongiorno National Network, established the Grant in recognition of the challenges Younger Fellows face when travelling overseas to further their post-Fellowship studies and experience. The Grant for 2024 comprises two grants of \$9,000 each.

More information on who can apply and the application requirements can be found at the link below.
